CO. SUNDAY SCHOOL CONVENTION MEETS

On Friday evening, Saturday and Sunday, June 5, 6 and 7th, the county convention of the Tennessee Sunday School Association convened at Cottage Grove.

County President J. L. Stewart, Vice-President Mrs. Q. E. Routon, the county secretary and three vice-presidents, J. W. Stewart, John Richardson, and E. C. Brisendine, were present. The convention was well planned, with an unusually good program and was well attended by the Sunday school workers from different parts of the county.

Elds. Mayo from Mayfield, and Canady, who are connected with Sunday school work in Tennessee, and Mr. Joseph Carthel of Nashville, well known here for his efficient Sunday school work, were in attendance and gave splendid help. Also a number of the Sunday school workers of Paris were present with well prepared speeches. Prof. Robins of McKenzie, was also present and delivered a very enthusiastic talk on the work.

The Sunday school workers from Whitlock deserve special mention for the splendid music they furnished on Sunday.

This article would be too long if we made mention of all the splendid talks.

The good people of Cottage Grove left nothing undone but gave every help to the cause. Their homes were open to delegates and visitors and the dinner on the ground was delicious and abundant, notwithstanding the large crowds present.

We are safe in saying that the people left the Convention with more zeal for the Sunday school work and hearts full of gratitude and love for the good people of Cottage Grove and surrounding country.

Lookout Inn to be Rebuilt.

Present indications are that a hostelry to replace the famous Lookout Inn, which burned several years ago, will be erected upon Lookout mountain during the present summer. The new hotel will cost approximately \$250,000 and practically all of the stock has already been disposed of. The want of adequate hotel facilities upon Lookout has been accentuated since the completion of the new electric surface line.

Paschall to Miss E. M. Melvin. These young people, who reside at Murray, came to Paris to wed because they preferred to have the nuptial knots tied by our famous marrying Squire.

When Going Out

One's appearance should be a subject for compliments and not of apologies and explanations. Dress is so largely a matter of lines that the laundry question is all important. Disregarding the rule of spic and span tell severely against the offender. Our perfect work all the time at short prices has won us the general favor of good dressers.
